## **Mini Pro Golfers Camp Description**

ENTERING GRADES 3-5 and 6-8 (alternates)

Fore! Tee up and hit a hole-in-one this summer at our popular golf camp! Fun and skill development will be par for this one-week camp as they will practice their driving using practice nets, chipping and putting, along with on-campus activities led by our two specialized instructors. Don't own a set of clubs? No worries, Tiger! Mini University has a set of quality clubs that you can rent for the week at an affordable price. It will be easy for your golfer to sharpen their skills and learn the essentials of golf with one-on-one instruction in our smaller groups. Each day our golfers will participate in a variety of outdoor physical activities as well as indoor activities like custom mini golf courses. All skill levels are welcome! Due to measures we are following based on the Guidance for Day Camps outlined by the province, we have redesigned and relaunched this camp to provide the best possible experience this summer. At this time we aren't allowed to take buses to get to the different golf courses so instruction will be done on fields and an indoor multi-purpose studio at the University of Calgary. Please note that this summer, there will be no field trips or pizza lunch.
