

### Physics Camp – Spring and Summer Instructor

**Posting:** Physics Instructor

**Salary Range:** \$17.00+/hour

**Duration of Employment:** May to August

#### A. NATURE & SCOPE

Are you currently pursuing a program in Science or Education? Do you enjoy working with children and youth? Physics Camp is currently seeking instructors starting this spring. The successful candidates will have the opportunity to design and execute activities that provide ample opportunity for sharing their passion of physics with youth. Physics Camp facilitates a fun and exciting work environment with other post-secondary students while teaching and inspiring youth ages 9-14! The instructor position will commence at the end of April and finish at in August. This position is part-time in May and June, and full-time in July and August. May and June consist of camps planning. July and August consist of camp delivery. If this sounds like the job for you, apply now to join Physics Camp for this coming season!

#### B. CHARACTERISTIC DUTIES AND RESPONSIBILITIES

- Design lesson plans for children that teach the fundamentals of Physics in a fun and interactive way
- Assist with development of the summer camp project package including: designing prototypes for age-appropriate, engaging, hands-on projects; completing project write-ups, a project lesson plan schedule; project supply budgeting, preparing supplies/classrooms; and ensuring safety standards are met
- Work as a team of Instructors each day while leading camp youth from Grade 4 to Grade 9. This includes general day-to-day camp support of children and Instructors, leading/instructing activities, preparing project materials, movement/body breaks, lunch and bathroom supervision, interacting with Guardians at Sign-in/out and tell them how their child's day was
- Ensure the safety of the students and all safety standards are being met
- Responsible for supervising campers and ensuring workrooms and camp rooms stay clean daily
- Work collaboratively with other staff to create the best camp atmosphere possible and implement curriculum

- Abide by University of Calgary camp policies and procedures

### C. QUALIFICATIONS

- Preference given to undergraduate students in the Faculties of Science or Education
- Prior experience with children is an asset
- Completion of Grade 12 education required
- Excellent interpersonal and communication skills
- Ability to work as part of a cohesive team, as well as independently
- Strong organizational skills, with the ability to be flexible and prioritize tasks

\*Please note that a police security check, CPR/First aid and WHMIS/Safety training will be required subsequent to hiring.\*
